In our community right now there are people who are not expecting Christmas to be very bright. They may have fallen on hard times. They may be ill, elderly and alone. They may be unemployed, disabled and therefore unable to provide Christmas for their children.

As many Alamance County residents have done in the past, you can make a difference this holiday season by sponsoring a child or elderly person through Christmas Cheer. *Clubs, churches, businesses, office groups, families, extended families and individuals are invited to experience the joy of giving this Christmas.*
